Dear Sir:

In response to the Decision on Petition mailed January 12, 2007, enclosed is a revised Declaration of the heirs of the deceased inventor, John Bøgh Hansen. According to the Decision on Petition, the previous declaration of the heirs was defective because: (1) it did not set forth the citizenship of the deceased inventor; and (2) neither the declaration nor any materials submitted therewith state that the five heirs listed on the declaration are the only heirs of the deceased inventor.

The revised declaration clearly states the citizenship of the deceased inventor, and that the five listed heirs are the only heirs of the deceased inventor. Thus, the revised declaration is fully compliant with 37 CFR 1.497.
